**Lottery:** If there are more applications than there are available places, a lottery will be held.

**Lottery Time and Place:** Lotteries will typically be held at 7:00pm at 449 Route 12A, Surry.

**Lottery Guidelines:**

- **Siblings:** All siblings of admitted students who have completed applications will be placed, prior to holding a lottery.
- **Applicants:** All names of remaining students who have submitted completed applications will be given bingo numbers and placed in a bingo ball.
- **Drawing:** As each ball is drawn, the student will be admitted or placed on the waiting list, according to the criteria outlined above.
- **Admitted Students:** If a student meets the criteria outlined above, he or she is conditionally admitted to SVCS. Parents of accepted students will meet with the School Director for orientation and to receive enrollment paperwork.
- **Siblings of admitted students:** When a student is admitted, their siblings' names are automatically drawn. If there is space, the siblings are admitted as well. If not, they will be placed on the waitlist.
- **Waitlisted Students:** If there is no longer space available, the student will be placed on the waitlist in the order that his or her name was drawn. If an opening occurs in a given grade, students on the wait list will be contacted according to their order on the waitlist.
- **Students who apply to SVCS after the lottery date** will be conditionally admitted only if space is available and they meet the appropriate criteria outlined above. If space is not available, they will be placed on the waitlist in the order that their completed application is received.
- **Students with Individual Education Plans:** Parents of students who are on IEPs will need to set up a team meeting with the sending school, SVCS and themselves to determine if SVCS is the right placement for the child.
